# Student Accident Reimbursement Plan

As health care costs continue to rise, many insurers are implementing cost saving measures including high deductibles and larger co-insurance payments. This places a financial burden on families who are already carrying significant cost for education.

This Plan provides reimbursement for medical expenses resulting from a student accident, which includes but is not limited to family paid deductibles and co-insurance.

## Coverage highlights

- Complements existing family coverage
- Worldwide coverage
- Reimburses deductibles and co-insurance
- 24 hour coverage
- Covers accidents whether or not the student is school supervised
- No limit on number of accidents covered during policy period
- Sports related injuries are covered

This inexpensive Plan is broad in its scope and covers accidents on a 24-hour basis wherever the student may be - at school, at home or anywhere in the world - during the term of the policy. There is no limit to the number of accidents covered by the Plan during the policy term. The plan covers accidents whether or not the student is school supervised.

## Benefits

The Plan will pay the medical expenses incurred by an insured student by reason of accidental bodily injury sustained (including interscholastic sports) and causing loss commencing during the period of coverage, in accordance with the following available benefits.

Pays 100% of eligible expenses incurred for services actually performed, for medical care or treatment by a doctor, hospital confinement, or for the professional care and services of a registered nurse, for each incident resulting in injury during the 24 month period\* immediately following date of injury up to a maximum payment of \$1,000.

## Definitions and conditions

- "Injury" means bodily injury caused by an accident. The accident must occur on or after the effective date of the Insured Person's coverage under the contract and while it remains in force. Loss must result therefrom directly and separately of any other causes.
- This Plan does not cover an accident occurring before the effective date of coverage.
